This year we will be offering two new playing formats, a "Shamble" or "Play your own ball".

You will be able to choose one of the formats that you want to play. There will be 1st and 2nd place winners in both formats. Also, we will have 2 separate optional skins tournaments as well so chances of winning should go up.

In a Shamble everyone in the foursome tee off and the best shot of the four is selected and everyone else picks up their shot. Everyone hits their 2nd shot from that location. From that point on everyone plays their own ball until they finish the hole and each player records their individual score.

Play your own ball is traditional golf where you play your own shot the entire round of golf (Winter Rules apply).
