

Build Together with TRASA

THREE RIVERS ADVERTISING SPECIALTY ASSOCIATION

Buy Right. Buy TRASA. Build Together.

TRASA wants to build their sponsorship base and we need your support

Why become a TRASA sponsor?

Sponsorship gives YOU added value and visibility in western PA, West Virginia and eastern Ohio!

- You will be recognized at all TRASA events (signage, programs), on the TRASA website and in the on-line bi-monthly newsletter
- Your support will help TRASA enhance the Professional Development programs by providing quality speakers and additional programs
- Based on the level of your sponsorship, you will receive FREE tables at the April 1 and October 6, 2010 shows AND select your table location!
- You may also be entitled to complimentary advertising in the newsletter
- You will also have the opportunity to send a mass e-mail with news items and specials to TRASA distributor members FREE of charge – one per month
- You will have first preference to select a Business Builder's Breakfast date to sponsor before other suppliers are approached
- You will have the exclusive opportunity to donate products to insert in show bags along with your sales flyer or catalog for both shows – available only to sponsors

That's what you can expect as a sponsor of TRASA in 2010. To help you build a great year of success, TRASA is providing suppliers and multi-line rep sponsors with exclusive ways to help you build sales in 2010.

If you are looking for cost-effective ways to promote your company and want to support TRASA's education initiatives, consider becoming a sponsor and lead TRASA in 2010. There are several options ranging from \$500 to \$3,000 to fit your marketing budget.

TRASA depends on you to help the association provide distributor members with education and marketing tools to increase their business, and in return, increase yours!

Buy Right. Buy TRASA. Build Together.

In 2010, TRASA will once again encourage members to buy from TRASA members first, when possible as we did with our Operation Buy TRASA campaign in 2006. We want everyone in our association to succeed! We need your support! Choose a sponsorship level and complete the enclosed form. Mail or fax to Patti Ward, Executive Director, 3003 Salisbury Court, Mars, PA 16046. Telephone 724-779-3803 or Fax 724-779-3804.

Build Together in 2010 with TRASA!

The deadline to respond to this sponsorship opportunity is December 31, 2009.
